

WISCONSIN SECONDARY
ASSOCIATION OF SKILLSUSA

DATE: February, 2013
TO: SkillsUSA Chapters and Advisors
FROM: Wisconsin Association of SkillsUSA, Inc. *Brent*
SUBJECT: Inclement Weather Policy

We are aware, sometimes weather precludes attendance at events where a chapter has already registered students, because of school closings or school delays. For these instances, since the organization has already purchased supplies, meals, etc., there will still be a 50% registration fee assessed. This policy is only for weather related occurrences where schools are closed or delayed.
