

Wisconsin Association of SkillsUSA

State Constitution & Bylaws

CONSTITUTION
of the
WISCONSIN ASSOCIATION OF SKILLSUSA
Secondary School Division

ARTICLE I: The official name of this organization shall be "Wisconsin Association of SkillsUSA, Secondary School Division" which includes middle and high school grades and may be referred to as "SkillsUSA."

ARTICLE II: The purposes of this organization are:

1. To unite in a common bond all students enrolled in trade, industrial, and technology and engineering education in Wisconsin.
2. To provide leadership for local chapters in Wisconsin.
3. To provide a clearinghouse for information and activities.
4. To provide state-level recognition and prestige through an association and affiliated organizations.
5. To develop leadership abilities through participation in recreational, educational, career development, civic, and social activities.
6. To promote high standards in trade ethics, quality work, scholarship, and safety.
7. To work with technological systems to gain an understanding of how they function.
8. To help students obtain purposeful lives and create an enthusiasm for learning.
9. To develop the ability of students to plan together, organize, and carry out worthy activities and projects through the use of the democratic process.
10. To develop patriotism through a knowledge and understanding of our heritage and the democratic process.
11. To understand the relationship between individuals, society and technology.
12. To explore and enhance personal interests and career opportunities related to technology.
13. To prepare for entry into chosen technology related occupations and develop a basis for continued learning.

ARTICLE III: Organization

Section I. The Wisconsin Association of SkillsUSA is an organization of local associations, each operating in accordance with the charter granted by the Wisconsin Association of SkillsUSA.

Section II. The administrative decisions of Wisconsin SkillsUSA will be vested in the State Superintendent's SkillsUSA Advisory Council, State Officers, State Alumni Director, the State Director, and the State Corporate Member.

ARTICLE IV: Membership

Section I. This state association will consist of the chapters located within Wisconsin secondary schools. The members of SkillsUSA shall be members of the chartered local chapters.

Section II. SkillsUSA will recognize individual membership only through a local chapter. Individual memberships of local chapters will be recognized as active members, professional members, honorary members, and alumni members.

Active Members. Any student who is regularly enrolled in technology and engineering education or a health occupations course is entitled to become an active member of any chartered SkillsUSA chapter. To retain membership, the member must be enrolled in, or have previously completed at least one technology or health occupation education course, and/or follow a planned course of study for a technology and engineering education or health occupations program (including a supervised occupational experience program), the objective of which is establishment in a technical or health occupation. An active member is a student who annually pays dues as established by SkillsUSA. Active membership is required to participate in a SkillsUSA event or activity. Only active members may vote or hold office except the office of State Director, Advisor in the chapter or the State Association.

Alumni. Membership in the SkillsUSA Alumni Association is open to anyone interested in supporting SkillsUSA.

Professional Members. These shall be persons associated with or participating in the development of SkillsUSA. Such members may include teachers, teacher educators, state supervisors, local vocational education coordinators, career and technical education directors, or business representatives. Professional members will pay dues as established by SkillsUSA, but will be ineligible to serve as voting delegates, hold state office, or otherwise represent a local chapter in SkillsUSA.

Honorary Annual Members. This may be awarded to individuals making a contribution to Technology and Engineering Education or Health Education and/or to SkillsUSA, by approval of the State Officer Team, State Superintendent's SkillsUSA Advisory Council, and the State Advisor.

Honorary Life Membership. Individuals who have made significant contributions to the development of SkillsUSA and technology and engineering and health occupations education whose membership has been approved by the Wisconsin State Officer Team upon the recommendation of the State Association at its annual skill contest. Such membership shall not require payment of State dues.

Section III. A membership year shall be from September 1 through August 31.

ARTICLE V: Voting

Section I. Each local SkillsUSA chapter shall exercise two electoral votes through two voting delegates at the State Leadership Conference.

ARTICLE VI: Meetings

Section I. A State Leadership Conference shall be held each year, with the time and place to be selected by the State Superintendent's SkillsUSA Advisory Council and the State Director. This State Leadership Conference shall be the official state meeting of SkillsUSA. Other official conferences and meetings may be called by the State President with the approval of the State Director.

Section II. Parliamentary Procedure. Roberts Rules of Order, Newly Revised shall be the final authority.

ARTICLE VII: Officers

Section I. The officer positions shall consist of a President, a Vice President, a Treasurer, a Secretary, a Reporter, a Middle School Liaison and six District Vice Presidents.

- a) The offices of President, Vice President, Treasurer, Secretary, and Reporter will be at large positions. They shall be elected by a majority vote of the voting delegates present at the Delegate Assembly of the State Leadership Conference of Wisconsin Secondary SkillsUSA.
- b) The District Vice Presidents shall include one District Vice President representing each of the Wisconsin Secondary SkillsUSA Districts. The District Vice Presidents shall be elected by a majority vote of the voting delegates present at the Delegate Assembly of the State Leadership Conference from each respective district.

- c) The office of Middle School Liaison shall be elected by a majority vote of the voting delegates present at the Delegate Assembly of the State Leadership Conference of Wisconsin Secondary School SkillsUSA.
- d) The State Officer Team of the Wisconsin Association of SkillsUSA shall consist of all the elected officers.

Section II. In case of a tie vote for any position, the Chair shall allow a five minute caucus for each chapter eligible to vote for that position. Immediately following the caucus, a second vote will be held. If there is a second tie, a speech will be given by the candidates followed by a second caucus and re-vote. In case of a third tie, the State Officers in attendance will vote by secret ballot to break the tie. Any State Officer who is also one of the candidates on the ballot for which there is a tie is not allowed to vote on the tie-breaker.

Section III. Candidates for SkillsUSA offices must complete the procedure for candidacy as set forth by the State Officer Team of SkillsUSA and approved by the State Superintendent's SkillsUSA Advisory Council.

Section IV. Officers elected at the State Leadership Conference will begin their term of office on June 1 of that year and will continue to hold office until May 31 of the following year.

Section V. If any officer position is vacated prior to the end of its term, the position may be filled through appointment by the State Officer Team provided the candidate meets all prescribed qualifications for the vacant position. If any position has no candidates at the time of elections, that position may be filled the same as a vacated position. The current State Officer Team may not make appointments for the subsequent State Officer Team. If no qualified candidates are found for a vacant position, that position shall remain vacant.

ARTICLE VIII: Advisors

Section I. The State Consultant for Technology and Engineering Education for the secondary school division will be responsible for this state association as described in the Articles of Incorporation of SkillsUSA. Technology and Engineering Education teachers will serve as advisors for each SkillsUSA chapter and take responsibility for the implementation of the SkillsUSA state program of work at the local level. If no technology and engineering education teacher is available or willing to serve as a local advisor, another teacher or a business/industry representative may serve in this capacity.

ARTICLE IX: Finances

Section I. Local Chapters will be responsible for the collection of state dues according to the number of individual members claimed in each membership classification. The State Superintendent's SkillsUSA Advisory Council and the State Director shall

approve any change in the dues formula.

Section II. The State Director, Corporate Member, and the State Superintendent's SkillsUSA Advisory Council may implement alternative dues structures that will increase the opportunity for membership to a greater number of students while collecting adequate dues to cover the costs of serving those members.

Section III. The State Director, Corporate Member, and the State Superintendent's SkillsUSA Advisory Council will control all SkillsUSA finances. The Treasurer, with the help of the State Officer Team, will submit a budget annually to the State Director and the State Superintendent's SkillsUSA Advisory Council for their consideration.

Section IV. The Wisconsin Association of SkillsUSA will have an independent, third party audit annually. The cost associated with the audit will be of the association. The Department of Public Instruction SkillsUSA staff will administer funds and other assets of the association. Generally accepted accounting principles will be followed relating to revenues, disbursements and financial reports.

Section V. It is recognized that the Wisconsin Department of Public Instruction hire, supervise and compensate the state SkillsUSA Director. The secondary division director will be a consultant at the Wisconsin Department of Public Instruction responsible for technology and engineering education, trade or technical education.

ARTICLE X: Emblems and Colors

Section I. The official SkillsUSA colors shall be red, white, blue, and gold. Red and white represent the individual states and chapters, blue represents the common union of the states and of the chapters, and gold represents the individual member.

Section II. The design of the SkillsUSA emblem or symbol will consist of a shield representing patriotism, a torch representing knowledge, orbital circles representing technology, a gear representing the industrial society, and hands representing the individual. The design of the symbol shall follow that of National SkillsUSA.

ARTICLE XI: Amendments

To amend this constitution, proposed amendments must be presented in writing, by a local chapter, to the State President and the State Director at least 90 days prior to the State Leadership Conference. The State President will then present them to the State Officer Team for approval and the State Director will present them to the State Superintendent's SkillsUSA Advisory Council for their approval.

The State Officer Team may also propose changes to the constitution through a simple majority vote during State Officer Team meetings at which a quorum of members is present.

The State President will then present the proposed changes to the State Director who will present them to the State Superintendent's SkillsUSA Advisory Council for their approval.

The State Director will mail the proposed amendments to all active chapters at least 30 days prior to the annual State Leadership Conference. They must be approved by a two-thirds majority of the voting delegates present at the Delegate Assembly Business Meeting of the State Leadership Conference. Amendments will be posted on the SkillsUSA website at least 30 days prior to the annual State Leadership Conference.
