Date: August 8, 2013
To: Wisconsin SkillsUSA
From: Brent Kincred, SkillsUSA State Director
Subject: State Leadership and Skills Conference Seating Policy

All students who win gold medal at a SkillsUSA district, welding challenge, and/or regional event in welding, carpentry, and automotive have a guaranteed seat for the state competition if they choose to attend. This is only for the student gold medal winner. If the student decides not to compete at the state conference, the seat is opened up to any other student member wanting to compete.
