Welding Fabrication Secondary

Proctor Sign-Off Sheet

The HS SkillsUSA Welding Fabrication competition will take place at your High School and your final completed project will be displayed at the State Competition.

Proctor Information: (Please print all information legibly) Proctor must be an adult, and not a student affiliated with the high school.

Name: _____ Business or School: _____

Email: _____ Phone: (____) - ____ - _____ Available on April 2nd

Where is the team completing the project? _____

Who are the team Members?

1) _____

2) _____

3) _____

Before the team starts, please check the following items.

Are the materials to be used match the materials list? Yes / No _____

Proctor should receive a copy of the material list and all information needed for competition.

The competition should be the same for each team, therefore the materials available must match the material list. The material should be in raw stock form from the supplier, not cut up and ready to weld.

Does the team have proper safety attire/equipment? Yes / No _____

Safety glasses, Welding Helmets, closed toed shoes, long pants, long shirt, welding gloves, etc.

Contest Time

Start time and date _____

Each team has 4 hours to complete the **base** project. Student designed parts are included in the time and are must be documented. Paperwork is not included in this time.

Advisor (teacher) or any other person beside the team of 3 should not interact with the team during contest time unless for safety reasons...pictures may be taken, just no help to teams is allowed. Students must be proctored at all times they are working on their Welding Fab. project and paperwork.

Finish time _____

Please be specific here, as there will be possible penalty points.

If students need to use more than one time period to complete project, please reprint Proctor Sign-Off sheets.

Signatures:

I am signing to attest the work completed was to the best of our ability, by the rules of the contest, and was the work of the 3 student team during the proctored time slot.
